Dear patients,

We know this is a very unsettling time for everyone and we need to ensure that we are taking care of each other. We pray for anyone of you who may be affected by the COVID-19 virus, and we are wishing you good health and strength.

Following the advise from the American Dental Association, federal and local governments, Miami Dental Sedation Spa will temporarily close this Friday, March 20th at noon for non-emergency patients.

Please feel free to reach out to us by phone in case of a dental emergency. Our phones will be answered during regular office hours. If you call after regular office hours, the message will give you instructions on how to reach us.

Even though the uncertainty definitely brings about doubts, fear, and other negative emotions, we feel very positive that we will overcome these tough times.

We appreciate trusting us with your oral health care. We will keep you abreast of new developments at Miami Dental Sedation Spa via emails and also through our website.

May God protect us all and may we go through this hardship as soon as possible.

Your Miami Dental Sedation Spa staff
